

Relief Efforts During an Unprecedented Time of Need

NESTLÉ US RESPONSE TO COVID-19

People are at the heart of our business. Our employees, consumers and communities rely on us to enhance their quality of life and contribute to a healthier future. Now, more than ever, we are working around the clock to deliver on that promise.

Our team is supporting communities in important ways: increasing support for our long-term partners through our core strengths, listening to experts on new areas of need and identifying more opportunities through local efforts and our employees.
