The Honorable Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue, NW
Washington, D.C. 20500
Attn: Brian Jack – Political Director

Dear President Trump:

For over 47 years, the United Hellenic Voters of America (“UHVA”) has been the eyes and ears of the Greek American Community in the Midwest. The UHVA has been guided by the wisdom of the creators of Democracy, the ancient Greeks, who over 2,450 year ago wrote: *“We alone regard a man who takes no interest in public affairs, not as harmless, but as a useless character.”*

During those 47 years the UHVA has elected to follow that ancient and historically proven knowledge by being passionately engaged in all aspects of political life and public affairs in the United States. During each election cycle the UHVA conducts endorsement sessions for candidates seeking office, chief among which is the Office of the President of the United States.

The UHVA is honored and pleased to inform you that you have been endorsed by the UHVA for the **Office of President of the United States**. Your endorsement by the UHVA shall be published throughout the entire Greek American Community at large through the UHVA network of social media.

Your domestic accomplishments, your vision of the future and your demonstrated support of Greece were very ably presented by your National Convention Delegate, Mr. Peter Kopsaftis, and were well received by the UHVA Board of Directors.

Greece, as one of the main pillars of Western Civilization, both deserves and needs your administration’s support as it faces an existential threat from Turkey. The UHVA urges you to continue your domestic agenda, your vision of the future, and to demonstrate your support for Greece. We stand ready, willing and able to assist your administration in that support. May God Bless You and keep you strong.

Sincerely,

D.G.Kyriazopoulos

Dr. Dimitrios Kyriazopoulos
