

Westlake Youth Forum 2019

第四届西湖青年论坛

Call for Application / Nomination for Travel Fellowship

Zhejiang University and China Medical Board (CMB) will join hands to host the 4th Westlake Youth Forum in 2019. China Health Policy and Management Society (CHPAMS) is pleased to facilitate the Forum. The Organizing Committee of the Forum is pleased to invite applications for travel fellowship for CHPAMS members to participate in the Westlake Youth Forum.

The Forum provides a platform for young scholars worldwide to build up academic network, to exchange scientific thoughts and research experience, to communicate with senior scholars and policymakers, and to advance health policy in China. The 2019 Forum will be a three-day workshop for young researchers and practitioners in health policy and systems sciences.

Westlake Youth Forum:

- When: June 10-13, 2019
- Where: Zhejiang University International Campus, Haining, Zhejiang Province, China
- Preliminary Program:
 - June 10. Registration and social activities
 - June 11-12. Academic sessions and events of the Westlake Youth Forum
 - June 13. Field visit

What will be included in the travel fellowship:

- Local expenses including meals, accommodation, and local transportation in Haining, Zhejiang;
- A \$1,000 international travel allowance;
- Networking with world-class academic leaders and young scholars from inside and outside of China;

- Networking with Chinese academic leaders to explore your career opportunities in China;
- Presenting your research and communicating with academic leaders and peers at the Forum.

Who can apply for the travel fellowship (Eligibility)?

- Being a registered CHPAMS member at the time of the application (the membership registration link <http://www.chpams.org/member-registration/>);
- Scholars under 45 years old who are faculty members, researchers, or graduate students in academia, research institutes, or governmental organizations outside of China;
- Working in public health related fields. China relevance is a plus but not required;
- Having the interest to build collaborations with academic and research institutions, governmental departments, and corporations in China.

How to Apply?
